Writing Your Argument
Policy: Minimum Wage | Your task: argue to oppose the policy
Write your argument against the proposed policy using any of the facts below.
You can use the buttons below to choose which facts the reviewer will see with your argument.
Using the facts below
Open — Click to read the fact and view its source.
Attach — Click to include the fact with your argument.
Insert reference — Click to reference the fact at a specific point in your argument. A reference number corresponding to the fact will be inserted automatically.
Only facts you attach or reference will be shown to the reviewer.
Available facts
Claims that support the proposed policy
Claim 1
The current federal minimum wage is too low for a full-time worker to cover basic living expenses.
Fact 1B Supports claim
Open
Insert reference
Attach
A nationwide analysis finds that a full-time worker earning the federal minimum wage cannot afford basic necessities anywhere in the United States.
